SUMMIT MINERAL SPRING WATER.

MEDICINAL.

DR. TUTT'S EXPECTORANT.

IN 25 CTS. AND 51 BOTTLES.

Its Properties are Demulcent, Nutritive, Balsamic, Soothing and Healing. Combining all these qualities, it is the most effective LUNG BALM ever offered to sufferers from pulmonary diseases.

Dr. J. F. HAYWOOD, of New York, voluntarily indorses it. Read what he says:

New York, Sept. 19, 1877.

Dr. Tutt: Dear Sir—During this year I treated nine hundred cases of lung diseases. In the lower grade of the city the cases were of a very severe type. It was there my attention was called to Tutt's Expectorant, and I confess my surprise at its wonderful power. During a practice of twenty years I have never known a medicine to act so promptly and with such happy effects. I have had many a case of the most violent fits of coughing, and invariably cured the disease in a few days. I cheerfully indorse it as the best lung medicine I ever used.

J. FRANCIS HAYWOOD, M.D.

A NEWSPAPER PUBLISHER WRITES: Office Evening News, Augusta, Ga.

Dr. Tutt: Dear Sir—My little son was attacked with pneumonia last winter, which left him with a violent cough that lasted till within a month since, for the cure of which I am indebted to your valuable Expectorant. I had tried most everything recommended, but none did any good until I used your Expectorant. One bottle of which I removed the cough entirely. With many thanks, I am yours truly,

JOHN M. WEAVER.

HAD TERRIBLE NIGHT SWEATS.

Memphis, February 11, 1871.

Dr. Tutt: Sir—I have been suffering for nearly two years with a severe cough. When I commenced taking your Expectorant I was reduced to one hundred and sixteen pounds in weight. I had tried almost everything; had terrible night sweats. I have taken half dozen bottles. The night sweats have left me, the cough has disappeared and I have gained fifteen pounds in flesh. I recommend it to all my friends. With great respect,

OLIVER RICE.

IMPORTANT QUESTIONS.

Reader, have you caught a cold? Are you unable to raise the phlegm? Have you an irritation in the throat? A sense of oppression in the lungs, with short breath? Do you have a fit of coughing on lying down? A sharp pain now and then in a region of the chest, shoulders and back? IF SO, OUR ADVICE IS to take at once a dose of Tutt's Expectorant, you will soon be able to raise the phlegm. In an hour repeat the Expectorant, place a hot iron to the feet, take two of Tutt's Pills. You will soon fall into a pleasant sleep and wake up in the morning cough gone, lungs working freely; coughing and the phlegm moving in a natural manner. To prevent a return of these symptoms use the Expectorant several days.

I am now prepared to furnish the above valuable fertilizer at the low price of \$20 per ton of 2000 lbs., delivered on cars or boats. It is in its crude state, and farmers in want had better order early, so they can prepare it for fall sowing. There is nothing in this guano but the pure fish with the oil extracted (which is sold by all chemists to be no fertilizer.) I can refer to those I sold it to last spring, most of whom have already sent in their orders for more to use on their wheat. sep 12

Edison's Electric Light.

The Eastern papers are full of reports of the Edison light and probable success, to take place on New Year's night. After various experiments and a great deal of study, the lamp has been perfected. The lamp, it is stated, can be made at a cost of twenty-five cents. In its simplest form it is as cheap as a gas tip. It is a plain glass globe, about the size of a small orange or a large lemon. In the bottom is fitted a metallic stopper, through which the copper wire passes, and a strip of carbonized paper, shaped like a horseshoe, connects the wire. The air is exhausted in the
